COLUMBIA LETTER.

Columbia, February 20.—The legislature will certainly adjourn on Friday night or early Saturday morning. The calendar in the house was cleared almost entirely yesterday by killing almost all second reading bills.

The balance of the session will be largely taken up with the appropriation bill, though the senate has about agreed to all the appropriations in the bill. The \$200,000 for pensions stands, so does the increase to Withrop and all the big appropriations. When it comes to little matters where only fifty or one hundred dollars is the amount involved there are some members who have spasms of economy and show great anxiety for the people's money.

There was a batch of bills ratified a day or two ago, but none of them were of any more than local interest. In fact the present legislature is to be commended for the little it has done in the way of changing legislation.

Mr. Dominick's amendment to the charter of the graded school act has passed the senate with some amendments. Mr. Mower increased the board to twelve and provides that one be elected from each ward, but that still gives seven life members. In other respects I believe the bill stands as proposed by Mr. Dominick.

Having been called home on Monday night on account of the fire in The Herald and News office I am unable to get off a story today. E. H. A.

The volunteer fire department in Newberry is doing its duty efficiently and ready to save property on two occasions during the present week. These fires have also demonstrated the value of our system of water works. There is one thing, however, which we need and that is a better fire arm. Some of the firemen never heard the alarm at night themselves, though not very far from the square.

The good work of the firemen and the citizens who were present saved the Herald and News building and the machinery and type of the office. We express our sincere appreciation of their good offices.

The price of cotton has advanced very much in the last few weeks. It will help the farmers very little as most of the cotton has passed out of their hands. We hope that it will not fool the farmers to put all their trust in this one article. The same advice we have always given we believe is still good advice and if followed by our farmers would soon make them independent of matters very little what the price of cotton is. First prepare to make all you need for the farm, on the farm, and then grow all the cotton you can regardless of the price. It will then place the farmer where he ought to be, independent of fens and lien laws.

Stocks.

We have been having some very cold weather for the last week, but we hope it will not continue very long. The grain crop has been very much damaged by the cold.

The farmers have begun breaking up the land and preparing for the planting of the next crop.

Mrs. Nolin Sligh came up Saturday to visit her father and mother, Dr. and Mrs. J. P. Johnson. She returned to Newberry Sunday. Come again, we are always glad to see you.

Mrs. Mary Johnson has been on quite an extended visit to her daughter, Mrs. Wofford at Woodruff.

Little Jaded Wofford is visiting his aunt, Miss Lela Johnson.

Miss Hattie Senn spent the last week visiting her friend, Miss Ida Smith.

Misses Minnie McKittrick and Beulah Workman made quite a pleasant visit to Mrs. Fred Johnson recently.

Rev. Mr. Thresher preached at Tabernacle Church yesterday. Although we have only heard him preach twice we like him very much. Tabernacle school has been moved near Mr. John Miller's, but as it is not completed yet the church is being used as a school house. It was right sad to see the chimney taken down, so many of the patrons went to school, and learned their A B C's right there and shall we say received their first (?) whipping.

The young people are anticipating a lively time at a Valentine party, at the home of Mr. James Johnson's next Friday night.

Mrs. Tom Davis spent Saturday night and Sunday with her brother, Mr. C. W. Buford.

Mr. Land Waters has nearly succeeded in getting a free delivery through this section of the country. It is very much needed and will certainly be convenient.

Mr. Fred Johnson has begun work at his saw mill again.

Some of our young men are going to Jalapa right often here of late. We cannot tell exactly what is the matter but can imagine.

We have no new-comers this year but Mr. John Miller. He lives in the Rich Hill house this year. We are always glad for new families to move in as they are a help to the community.

There is a pair of grey horses in the neighborhood. Look out girls! They travel very nicely; but one of them has the bad habit of breaking loose and going home. When the young man goes to hitch up, instead of two horses, Lol there is only one!

THE GRAND JURY'S PRESENTMENT.

To His Honor, Ernest Gary, Presiding Judge:

The grand jury respectfully present, that they have acted upon all bills handed to them by the Solicitor and have turned them into court.

We have visited the jail, and find that it is in need of repairs that are necessary for preservation of property and for the health of the Sheriff and prisoners, especially leaks in roof and interior whitewashed, also wood work around well, which we recommend being attended to at once, and repairs on court house caused by fire the 17th instant.

We have appointed committees to examine all offices, &c., and to report at next term of court.

We are glad to say no complaints have been made to us, about roads, bridges or any irregularities in county matters.

We thank his Honor and other officers of the court for courtesies extended to us.

We recommend that our clerk be paid the usual fee.

JOSEPH H. HUNTER, Foreman.

Court adjourned sine die yesterday afternoon.

CURRY-SWITENBERG.

A Pretty Home Wedding Solemnized in Jalapa.

On Wednesday, the 20th of January, at 3:30 o'clock, at Mr. and Mrs. H. L. Cannon's, there occurred a wedding of much social interest and withal one of the prettiest solemnized in Jalapa this season.

The parlor where the ceremony took place was very beautifully arranged, and as the lovely bride elect, Miss Mayme Curry, and the handsome groom, Mr. John Swittenberg, took their station to the strains of "Mendelssohn's" wedding march skillfully rendered by Miss Eddie May Parr, on her doll piano. Rev. Hood performed the impressive ceremony which was witnessed by a large assemblage of invited guests, quite a number who reside in town. Immediately after the ceremony, and as soon as they received their congratulations we all returned to the hospitable home of the groom where a delightful reception was given.

After we all did justice to the delicious supper, we marched quickly back in the parlor where we were elegantly entertained, by Aunt Tade and Uncle Beaurie and others. Mrs. Swittenberg and Messrs. Gerald Merchant and George Swittenberg, furnished us with delightful music.

The abundance of elegant and costly presents displayed attested in a measure the high esteem and popularity with which the young people are held.

The presents received made a collection rarely equaled. Among the beautiful presents was a sack of delicious candy, presented by Uncle Beaurie and Aunt Tade.

Mr. and Mrs. Swittenberg left on the train, where they will spend several days among the hills and valleys in Fairfield, running rabbits, etc.

Mr. Swittenberg is a fine farmer, and is a young man who has achieved an enviable reputation, and enjoys a wide popularity.

The bride is a woman of fine attainments, and is loved by all who know her. Jenkins' loss is Jalapa's gain.

Mr. Swittenberg is erecting a beautiful home to carry his lovely "little" bride to.

Among the guests from Jenkinsville who were present at the wedding were Mr. and Mrs. Curry, father and mother of the bride, and Mr. John Curry and Miss Lottie Yachough, in spite of the disagreeable weather, they all reported quite an enjoyable time.

This brilliant and social event will long be remembered by those who were lucky enough to be present.

"John," who knows that "luck" is but a myth,

And faith is but a name,

That "Plead," and "Push," and "Patience,"

At last you won "your Mayme."

"Mayme" you've got the John who has no fear

Of steady, plodding work,

Who does not wait for luck or fate,

Who sees his task to shirk.

A true friend

DEATH IN TEXAS.

A Native of Newberry Takes His Life—Hugh L. Cannon, Son of Mr. Sarah Cannon, Who Left Newberry County Twenty Years Ago.

Mr. Editor: Twenty years ago Mrs. Sarah Cannon widow of the late John A. Cannon, deceased of Pomaria, and sister of the late Thomas M. Lake of Newberry, deceased, with her family of boys, her brother E. J. Lake and two sisters Matt Cannon, wife of W. P. Cannon, and sister Emma Lake moved to Lindale, Texas.

The children have all grown up to man and womanhood, and are prosperous in their new homes. It will give the many friends in Newberry to hear of their tragic end of a son of Mrs. Sarah Cannon, and to offer to her the sympathy of all who knew her as a true Christian woman.

Thos. W. Holloway,

Pomaria, S. C.

HUGH CANNON TAKES HIS LIFE.

We take the following from Terrell Transcript of last Saturday, which gives an account of the suicide of Hugh L. Cannon:

The startling news of a suicide at the Midland hotel last night was learned

about noon today. H. L. Cannon who said he was from Lindale, came to the Midland hotel yesterday evening, registered for the night and paid his lodging in advance. He told the hotel people not to awaken him early in the morning. During the night the occupants of adjoining rooms heard him groaning and vomiting, but thought perhaps he was drinking and did not molest him. Today when the door of his room was opened he was found dead and an empty six ounce chloroform bottle was on the table by the bed and the following note in a legible hand was near it:

"Midland Hotel. When you come to call me this morning I will be dead. Please notify my brother, W. T. Cannon, at Lindale, Texas. Call him up over the phone. He will pay charges at the other end. Please let me remain here until my brother comes. He will attend to my removal."

"Yours Respectfully,
H. L. Cannon."

Barnum's Monkeys

"All well—all happy—lots of fun". That is the regular report from the monkey cage of Barnum's Circus ever since the keepers began dosing the monkeys with Scott's Emulsion. Consumption was carrying off two thirds of them every year and the circus had to buy new ones.

One day a keeper accidentally broke a bottle of Scott's Emulsion near the monkey cage and the monkeys eagerly lapped it up from the floor.

This suggested the idea that it might do them good. Since then the monkeys have received regular doses and the keepers report very few deaths from consumption. Of course it's cheaper to buy Scott's Emulsion than new monkeys—and that suits the circus men.

Consumption in monkeys and in man is the same disease. If you have it or are threatened with it can you take the hint?

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.
